Dear Ambassadors for Peace,

May 10<sup>th</sup>, 2007

On behalf of the Universal Peace Federation - USA we are pleased to invite you to a special evening of music and inspiration that promises to uplift and encourage all who love America and yearn for Peace. The theme of the tour is "**America's Central Role in the Path to Peace**". This tour will visit all 50 states of the U.S. from May 21 through June 9, 2007. The Keynote Speaker for the Kansas event will be Jun Sook Moon, wife of Rev. Hyun Jin Moon.

May 26<sup>th</sup>, 5:00 pm

New Testament Pentecostal Church  
2714 Farrow Ave. Kansas City, KS, 66104

Mrs. Jun Sook Moon studied music at **Juilliard**, religion at **Unification Theological Seminary** and is the **mother of 8 children**, will be directly sharing the vision and the message for 19 of the North American cities. From the President of the Philippines to the President of India to the world's most famous religious leaders, Dr. Moon's family continues to demonstrate that the path to peace is based on True Love and commitment to the family and the world as One Family Under God. She touches and empowers people of faith, character, and conscience in the spirit of hope and encouragement that God is guiding America. Her address is something that we believe is pivotal for the U.S. at this time. The title of the address is **A Providential View of the Pacific Rim Era in Light of God's Will -The United States and the Future Direction of the United Nations and the World"**

As a woman whose focus is on the wellbeing of all families, Mrs. Moon wants to express God's love for the American people, proclaiming that if we come together in heart and spirit, we will see a new beginning for America and for the hope of peace in our world. As Ambassadors for Peace and people of faith, we will gather from May 21 – June 9<sup>th</sup> in key cities across the U.S. to strengthen the confidence and resolve of the American people to build healthy families and bring peace in the world.

UPF responded to global disasters and natural challenges facing the human family, launching the "Alliance for Recovery" effort for Hurricane Katrina victims in the United States, in conjunction with the Points of Light Foundation, and a similar effort for the victims of the recent Yogyakarta earthquake in Indonesia. Our Ambassadors for Peace continue to bring hope through the work of the Middle East Peace Initiative despite the deteriorating situation there. These and other peace efforts are being covered by Universal Peace TV ([www.UPTV.org](http://www.UPTV.org)).

UPF is co-sponsoring this North American 13-city portion of the World Tour with the Family Federation for World Peace and Unification, along with the American Family Coalition, the American Clergy Leadership Conference, the Women's Federation for World Peace, and the Collegiate Association for the Research of Principle. Please join us on May 26th at New Testament Pentecostal Church for this most timely event.
